

Program Renewal Proposal for Existing Global Experience and Maymester Programs

Approval by the Study Abroad Advisory Committee is valid for three years in a four-year span, unless substantial changes have been made to the course location or content. This form is for faculty who wish to submit their original study abroad program for renewal after the previous approval cycle has expired. Please complete the following program renewal proposal and attach an updated itinerary and syllabus. Submit an electronic copy of this application to the Chair of the Study Abroad Advisory Committee by November 1st, the academic year prior to travel.
